Insert New Finding of Fact No. 42:

"The determination of the estimated costs of EAS was necessary in this matter to conduct the customer poll. While we approve Midvale's request to offer EAS in the areas described in its application, we wish to make clear that we are making no determination as to the appropriate ratemaking treatment that should ultimately be accorded to the costs of implementing and maintaining EAS. However, the ratemaking treatment may be considered in a subsequent proceeding."
